

# Cottage Connection

## Spring 2022

### Do you love your Water Quality at Your Family's Cottage or... Could it be better??

Protect our beautiful environment & wildlife—protect your precious family. We can help. Ask us how.

- Are you lugging plastic water bottles from home? That's so last year... Be part of the solution!
- Have your septic pumped out every 3-4 years & never park on it. Never flush baby wipes/feminine stuff.
- Enjoy safe drinking water right from your tap! We can install custom filtration that's just right for you!

### Keep your drains clear, your septic system happy & protect your lake!

This **MADE-IN-CANADA** enzyme concentration is the most powerful on the market. Other treatments only contain 1 or 2 types of enzymes, **BIO-CLEAN** contains 4 different types allowing it to treat and eliminate the 4 types of waste (protein, grease, carbohydrates, fibre) found in every system.

**BIO-CLEAN is 100% safe for people, pets and the environment.**

Ask us to include safe, effective **BIO-CLEAN** with your spring cottage opening.

Lasts ALL summer!!

### Clean, Safe Drinking Water Right ~ From Your TAPS!

By installing a high quality UV system in your cottage you can confidently draw a glass of water from any faucet knowing that it's safe to drink & cook with & know you'll be helping our planet.

**Call to install a new UV DISINFECTION SYSTEM (with filters)**  
**Special pricing in MAY + JUNE**
